Springfield Landscaping Company Hosts Christmas Toy Drive

SPRINGFIELD, IL: Springfield landscaping company Scooter's Lawn Care, Inc. has announced that they will be hosting a Christmas Toy Drive through the month of November.

"We are always looking for ways to give back to the community throughout the year," said CEO Jacob Godar, "but there is something extra special about rallying for our Christmas Toy Drive."

Donated gifts will go directly to families served by MERCY Communities, a 501(c)(3), not-for-profit organization dedicated to addressing the crisis of family homelessness by providing housing and supportive services to foster the independence of homeless women with children and at-risk women with children.

In addition to a donation bin at the Scooter's Lawn Care, Inc. office at 3805 North Dirksen Parkway, several other local businesses have offered their storefronts as additional drop-off locations. Ashley's At Home Grooming, Dabble Springfield, and Weeble's Bar & Grill are all accepting donations for the Christmas Toy Drive.

"We are not a faceless company. We are a company made up of individuals who live, work, and raise their families in this area," continued Godar. "It truly means the world to collaborate with other businesses, learn from the staff and volunteers of MERCY Communities, and share the news of this Toy Drive far and wide to hopefully make the greatest impact and spread joy this holiday season."
